RESOLUTION NO. 842-78

RESOLUTION OF INTENT TO IMPLEMENT THOSE PORTIONS OF ABAG'S INITIAL ENVIRONMENTAL MANAGEMENT PLAN RELATING TO WATER QUALITY THAT ARE WITHIN THE JURISDICTION OF THE CITY AND COUNTY OF SAN FRANCISCO.

WHEREAS, The Association of Bay Area Governments (ABAG) was designated by the United States Environmental Protection Agency (EPA) and State Water Resources Control Board (SWRCB) to prepare an Environmental Management Plan (EMP) for the San Francisco Bay Area; and

WHEREAS, ABAG has prepared an initial EMP that includes water quality, air quality, solid waste management and water supply elements; and

WHEREAS, The water quality element of the EMP contains policies and actions for surface runoff that were developed by the counties of the Bay Area; and

WHEREAS, ABAG has received more than 1,500 pages of public comment on the draft EMP, and these have been considered fully by the responsible ABAG approving bodies; and

WHEREAS, The initial EMP has been reviewed, modified, and approved by the ABAG Environmental Task Force, Regional Planning Committee, Executive Board, and General Assembly; and

WHEREAS, The Board of Supervisors of the City and County of San Francisco has reviewed the initial EMP; and

WHEREAS, EPA and SWRCB policy is that significant water quality management agencies named in the EMP must indicate their willingness to implement the EMP before EPA and SWRCB can give unconditional approval and/or certification to the initial EMP; and

WHEREAS, The Board of Supervisors of the City and County of San Francisco is a significant management agency for the purpose of implementing portions of the initial EMP relating to water quality; and

WHEREAS, Flexibility in implementation of the initial EMP is implicit in the plan so as to include good faith efforts to implement; and

WHEREAS, ABAG has developed a continuing planning process so that the initial EMP can be updated and revised on a regular basis; and

WHEREAS, Although additional local expenditures resulting directly from the EMP are not large relative to previous or ongoing environmental management activities, local government fiscal resources are strained by the Statewide passage of Proposition 13 on June 6, 1978; and, now, therefore be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco approves and adopts the water quality portions of the initial EMP for implementation; and, be it

FURTHER RESOLVED, That the Board of Supervisors of the City and County of San Francisco agrees to proceed with a good faith effort to implement those portions of the initial EMP relating to water quality that are within this jurisdiction's responsibility; and, be it

FURTHER RESOLVED, That the Board of Supervisors of the City and County of San Francisco agrees to seek adequate legal authority if it does not currently have power to implement any portion of the water quality plan for which it has been given implementation responsibility; and, be it

FURTHER RESOLVED, That implementation of actions financed wholly or in part by Federal and/or State funds will be conditioned on the availability of that money; and, be it

FURTHER RESOLVED, That the Board of Supervisors of the City and County of San Francisco because of the impact of Proposition 13, reserves the right to postpone implementing any provision in the EMP involving additional local expenditures; and, be it

FURTHER RESOLVED, That the Board of Supervisors of the City and County of San Francisco will seek to modify the initial EMP as appropriate during the continuing planning process if implementation does not proceed according to the EMP's approved schedule; and, be it

FINALLY RESOLVED, That this resolution is entered into on the condition that the water quality portion of the initial EMP will be certified without change by the State.

FINDING THAT THE PROPOSED SUBDIVISION MAP OF 900 BUSH STREET IS CONSISTENT WITH THE MASTER PLAN, AND DISAPPROVING ACTION OF DIRECTOR OF PUBLIC WORKS IN DISAPPROVING TENTATIVE MAP FILED IN CONNECTION THEREWITH, SUBJECT TO CERTAIN CONDITIONS.

WHEREAS, A tentative map for a 150-unit condominium subdivision at 900 Bush Street was referred to the Department of City Planning for review pursuant to the provisions of Section 1325 of Chapter XIII, Part II, San Francisco Municipal Code (Subdivision Code) on the property described as follows:

900 Bush Street, Lots 2 and 3 in Assessor's Block 275; and

WHEREAS, on September 28, 1978, after a public hearing, the City Planning Commission adopted Resolution No. 8075, finding the condominium subdivision to be not consistent with the Master Plan, as the development would decrease the availability of the rental housing stock of the City; and

WHEREAS, On October 3, 1978, the Director of Public Works disapproved said tentative map, based upon the aforesaid findings set forth in City Planning Commission Resolution No. 8075; and

WHEREAS, On October 2, 1978, pursuant to the provisions of Section 1333 of Chapter XIII, Part II, San Francisco Municipal Code (Subdivision Code), and Section 66452.5 of the Government Code of the State of California, the subdivider filed an appeal from the action of the Director of Public Works in disapproving said tentative map; and

WHEREAS, The Board of Supervisors set the matter for hearing on Monday, October 23, 1978; and

WHEREAS, On Monday, October 23, 1978, said Board of Supervisors heard the matter and made a determination as to findings, and directed the Clerk, in conjunction with the City Attorney, to draft appropriate legislation to implement the intent of the Board's decision, to be calendared and acted upon at the next meeting of the Board of Supervisors; and

RESOLVED, That this Board of Supervisors hereby finds that the proposed subdivision, together with the provision for its design and improvements, is consistent with the Master Plan, based upon the testimony that the subdivider would comply with the following condition::

The subdivider shall make available ten percent of the proposed units for low and moderate income occupancy, at a purchase price not greater than the maximum sales price established by the California Housing Finance Agency for its home mortgage loan program, unless the Director of Planning, in consultation with the Mayor's Office of Community Development, finds for a period of twelve (12) months after commencement of sales to the general public that the governmental subsidies do not prove to be available. Information concerning such availability shall be made a part of the sales literature; and be it

WHEREAS, A tentative map for a six-unit condominium conversion subdivision, dated May, 1978 was referred to the Department of City Planning for review pursuant to the provisions of Section 1325 of Chapter XIII, Part II, San Francisco Municipal Code (Subdivision Code) on the property described as follows:

2192-96 Green Street and 2912-16 Fillmore Street, Lot 13 in Assessor's Block 540; and

WHEREAS, On September 21, 1978, after a public hearing, the City Planning Commission adopted Resolution No. 8067, finding the condominium conversion subdivision to be not consistent with the Master Plan, as the conversion would decrease the availability of the rental housing stock of the City and further increase the cost of housing; and

WHEREAS, On September 25, 1978, the Director of Public Works disapproved said tentative map, based upon the aforesaid findings set forth in City Planning Commission Resolution No. 8067; and

WHEREAS, On Monday, November 6, 1978, the Board of Supervisors held a further hearing on said matter, and reviewed the appropriate legislation drafted by the Clerk in conjunction with the City Attorney; now, therefore, be it

RESOLVED, That this Board of Supervisors hereby finds that the proposed subdivision, together with the provision for its design and improvements, is consistent with the Master Plan, based upon the testimony that the subdivider would comply with the following conditions:
